Dear Mr. Eisner,

We are a staffing company located in Delaware County in East Central Indiana and we strongly support the observance of Eastern DST. We would like to have Delaware County switched from Eastern Standard Time to Eastern DST. Our business will definitely benefit from that change because it will give us another hour of daylight in the spring, summer and fall. Most of the positions we fill with our employees is first shift and they will be more willing to work the day shift because they will have added daylight at the end of their shift to take care of personal business.

Please consider our request.

Sincerely

Jim Crockett
